Pear Growers Unite To Aid Stabilization

Unsold Cannery Fruit Gluts Warehouses, Survey Shows

SAN FRANCISCO — The Bartlett pear is in distress. The announcement was made here today following conferences of the pear growers of California, the Medford and Hood River districts of Oregon and the Yakima and Wenatchee districts of Washington. The Pacific Coast cannery pear stabilization committee was organized to deal with the emergency.

Following a rapid survey of the situation it was disclosed that a menacing surplus of canned pears is still stacked up in western warehouses. With slight prospect of moving the fruit through normal channels before the 1937 crop comes into the market, growers express the fear that thousands of farmers, dependent solely upon their pear orchards, may lose everything they have.

"A real crisis exists," said Arthur Moulton, Ukiah pear grower and vice chairman of the California division of the stabilization committee. "The pear growers of the Pacific Coast have been barely existing on the prices paid for their fruit during the past few years. In many cases the prices have been below the cost of production. With other food prices rising there might be some hope this season if it were not for the surplus on hand."

"Exports dropped because of unfavorable conditions abroad. Shipping was interrupted by the marine strike. California cannot eat its pears, any more than it can eat its oranges or its lettuce. We must get our pears into the eastern markets where they are welcome at this season of the year as a substitute for the fresh fruits coming a little later."

Last year at this time the peach growers were in a similar situation. By forming a stabilization committee, securing an advertising contribution of 50 cents a ton from growers and an equal amount from the canners, they have increased their market and are in a better position. Pear growers are hoping to proceed along the same lines.

The California division of the cannery pear stabilization committee is headed by John Wheeler of Courtland, chairman; Arthur Moulton of Ukiah, vice chairman; Frank T. Sweet of Berkeley, secretary; and an executive committee which includes Sam Weston of Santa Clara; Philip Bancroft of Walnut Creek; Douglas Sim of Santa Clara; James A. Irving of Placerville and William Darsie of Walnut Grove.

SMITH'S FLAT TO ELECT NEW HEADS FRIDAY

The regular election of officers of Smith Flat Parent-Teacher Association will be held at a meeting of the organization on Friday, February 26.

The unit met Friday last with Miss Beatrice Woodward, of the state Tuberculosis Association, as the principal speaker. She discussed the tuberculosis of school children to be instituted in the county during March. Mrs. Helen Byrnes, county nurse, also spoke.

Motion pictures of tuberculosis testing were shown, using the new projection machine purchased by the Smith Flat school. Tea and cakes were served during the social hour.

Thomas L. Jones Is Dead At Monte Rio

A certificate filed Tuesday with the county recorder tells of the death on February 17 in the Monte Rio district, of Thomas L. Jones, 76, a resident of that district for 20 years.

Mr. Jones was a native of Rome, New York, who came to California as a child. Burial was at Auburn on February 20th.

DRIVES 4-INCH NAIL IN HEAD

Berkeley Girl Listed As "Suicide" At Hospital

BERKELEY (UP) — Miss Dena Dunlap, 22, Pinole, Calif., pushed a four-inch spike into a healed-over hole in her head Sunday. She slept comfortably Sunday night, went to a doctor last night and was near death at Berkeley General Hospital today. The nail penetrated the brain obliquely. Police listed the case as a suicide attempt.

The girl told her physician, Dr. Eric Kosterlitz, Berkeley, that she had pushed the nail into the healed over hole he had bored in her skull a year ago to relieve pressure which he thought was responsible for epileptic fits.

Dr. Kosterlitz said he was incredulous until the girl arrived at his office and showed him the head of an ordinary, large sized nail protruding from her head, just over the right temple. When he pulled out the nail, she collapsed.

George VI May Draw Boycott

Coronation Threatens To Widen Breach With Italy

ROME (UP) — It was said in authoritative quarters today that Italy would boycott the coronation of King George VI of Great Britain if a representative of the Ethiopian government attended.

The comment was made on the basis of London dispatches reporting that the British House of Commons Lord Cranborne said that invitation to attend the coronation had been sent to the Spanish loyalist and Ethiopian governments.

It was understood that King Victor Emmanuel had intended sending Crown Prince Humbert to represent Italy at the coronation.

The possibility that Ethiopia would be invited never dawned on the government, which now regards the ancient country as part of the "Italian Empire."

Mr. And Mrs. Murray Purchase New Home

Mr. and Mrs. A. H. Murray on Monday confirmed reports they had purchased the residence of Mr. and Mrs. C. A. Smith on Canon Hill. The property, known to older residents as the "old Pierce home" will be occupied by the new owners the latter part of the week.

Mr. and Mrs. Smith have spent much of the time of recent years traveling.

Placerville Given Full Page Write-Up

A full page of pictures and printed matter concerning El Dorado County and particularly Placerville was published in the Sunday issue of The Sacramento Union.

A portion of the heading of the article was made by photographing the various pioneer figures atop buildings of the Pioneer Service Station, depicting prospectors with burros, pioneers in covered wagons and a pony express rider.

Region Farm Bureau Meeting On Friday

A meeting of the Sixth district of the California Farm Bureau Federation will be held at Marysville on Friday, February 26, at 10:30 o'clock in the morning. The district includes El Dorado County and we understand that the county farm bureau will be represented at the meeting.

Mrs. M. Greenspan left last week for her home in Pennsylvania following a visit of about a month here with her sister, Mrs. George Taylor.

Recreation In County To Get C. of C. Backing

Objectives For Year Set Forth Monday Night

El Dorado County Chamber of Commerce will, during the balance of the present year, direct its major activity toward encouraging travel through the county, and promoting the county as a recreational center and will hope to display the county's agriculture, lumbering and mining in a state fair exhibit.

This objective was outlined at the February meeting of the organization held on Washington's birthday at the Spanish Court of Hotel Raffles. A. H. Murray, newly chosen president, conducted the meeting.

First order of business, following a report by President Murray on the meeting of the Sacramento Regional Advisory Council of the state chamber of commerce last Friday at Sacramento at which 11 were present from this county, concerned the reports of committees.

Ernest Van Harlingen, publicity, called attention to the full page concerning the county in the Sunday issue of the Sacramento Union. He said the committee has other things "on the fire" but that no report can be made on them at this time.

Charles Doe, budget and auditing, urged the importance of showing results from the chamber's activities, whatever they may be.

A report submitted to the president by J. R. Johnson, who was unable to attend the meeting, said the road committee is keeping in close touch with the legislature.

M. E. Raber, of the city and county committee, said the unit has had a busy week together and President Murray reporting for J. H. Rhodes, said that 12 new members have joined the chamber during the month, whereupon Harry Bell presented two additional memberships making a total of 14.

Bad weather, Mr. Bell said, had interfered seriously with operation of some of the county's mines.

L. A. Raffetto, conservation chairman, reported his committee had reported the condition of the deer in the refuge east of Placerville to the state, but that immediately following their report a rain greatly improved conditions.

The committee is developing a project which it hopes may be eligible to government financing, to establish rearing ponds along the American River to assist in the propagation of fish. Game bird propagation during the coming year will involve comparatively little expense, the pens being now built, he said. Any expense during the next year would be for feed for the birds.

Mr. Raffetto said that 28 quail were raised and released during the past year without the loss of a bird and that 360 pheasants were raised and released with the loss of "perhaps 12" birds.

The committee has a plan to sponsor feeding shelters for deer in the refuge and will urge, in a later report, a program of storing feed in the summer and fall which can be broken out and fed during the winter. This will eliminate the necessity of carrying feed into the snow-covered refuge.

Dr. D. W. Babcock, aviation, reported the airport in surprisingly good condition following the winter. He said the joint city-county purchase of the airport has been approved by the county but that he did not know what had been done by the city.

City Trustee Raber said the city board was of a mind to approve the project and it probably will be called up at the March meeting.

Dr. Babcock said the field is smooth, level and is drying out in good shape. Lloyd Cannon, sports and recreation, said his committee has not begun to function.

President Murray explained the operation of the secret committee which passes upon the worthiness of proposed solicitations of the town and (Continued on page four)

DENTIST'S PARADISE—Screen Actors' Guild recently held its fourth annual ball in Hollywood. During the evening the subject of Placerville's biggest mouths came up. Right away Joe E. Brown and Martha Raye, screen comics, started to laugh and before it was over, the cameraman had popped his lens with this result. Grand spring opening—what?

ENGEN, RUDD IN TANDEM RECORD

Jump Together To Set New World Mark Of 205 Feet

SALT LAKE CITY, Utah (UP)—Aif Engen, Utah Norwegian, defeated Sigmund Ruud of Oslo, Norway, for the United States amateur ski jumping championship Monday, but both were informed today they shared honors in another record mark, 205 feet for a tandem leap.

When Engen set his mark of 245 feet yesterday for the new national record, Ruud, playmate of Engen's childhood days in Norway, rushed up to congratulate him.

Spouting enthusiastic Norwegian, the two mounted to the top of Ecker hill, clasped hands, and rushed down the take-off in an excellent demonstration of tandem jumping.

Leaving the slide they landed far over the hump, side by side, to establish a leap that exceeds any other recorded double jump by 15 feet.

Sigmund Ruud, second place man in the meet yesterday, took the award with a leap of 232 feet.

Third was Einar Fredbo, Anaconda, Montana, whose perfect form thrilled the crowd.

Under a bright sun which made conditions ideal, 7500 persons crowded around the horehose below the take-off to watch the artists perform.

HOWE TRIAL IS SET FOR MAR. 3 VENIRE CALLED

Jack Howe, charged with failure to support a minor child, entered a plea of not guilty to the charge when arraigned Tuesday morning in Superior Court. Judge George H. Thompson presiding.

Trial of the case was set for Wednesday, March 3, and a venire including the following 30 names was drawn and is being summoned to appear on that date:

Delbert Niegel, William L. Stafford, Rose C. Perry, Frank Knacke, Henry Neff, Florence Rayburn, Fred Mell, Kenneth Juster, George A. Green, William Wilkinson, Louella Benson, Carl G. Jacobs, Leo F. Oswald, Sam Summers, Ray S. Presba, Ira L. Hill, Louis Capurro, Allen Balderston, Albert C. Springer, George Innen, Margaret Smith, Rudolph Niegel, Charles E. Jerrett, Russell J. Wilson, Ed R. Gillespie, Arthur Masten, Dora Cosens, Walter J. Stone, Francis Perey and Perry L. Hand.

Howe was remanded to the custody of the sheriff in lieu of bail set at \$1,500.

Drunken Driving Suspect Arrested

L. V. Brown, 26, was arrested over the holiday week-end by Traffic Officer Burwell Reynolds on a charge of driving while drunk. The arrest took place on the highway a short distance east of Smith Flat and was followed by a doctor's examination in which the suspect was pronounced drunk.

Ray Pyle was a week-end at San Francisco.

"Baby Derby" Ruled Valid

"Rules" Laid Down By Court In \$500,000 Will Bequest

TORONTO (UP)—The Ontario court of appeals today ruled the "baby race" clause in the Charles Vance Millar will was valid.

The court also held that illegitimate children of mothers competing for the \$500,000 prize left by Millar for Toronto's most prolific mother over a 10-year period could not be counted in determining the winner.

The court ruled on appeals brought by relatives of Millar against the finding of Justice W. E. Middleton, who declared on Nov. 20 that the will was valid and that illegitimate children could not be considered eligible.

The court also ruled on the appeal brought by Mrs. Pauline Mae Clark, one of the contesting mothers.

Under the courts ruling today Mrs. Clark is eliminated as a possible winner of the fortune.

SECURITY ACT RETURNS DUE LEWIS ADVISES

Collector of Internal Revenue John V. Lewis today reminded Northern California employers having one or more employees that the first month's taxes under title VIII of the Social Security Act is now due for January, 1937, and should be filed not later than February 28, 1937.

Title VIII of the Social Security Act became effective on January 1, 1937, with the initiation of the federal government's old-age benefit system. Two taxes are imposed by this section of the act—a one per cent income tax upon the wages and salaries of all employees, except those whose employment is specifically exempted, and an equal excise tax upon the employer. Both taxes imposed under this title are payable monthly by the employer.

Monthly returns, Mr. Lewis said, should be filed on form SS-1, copies of which may be obtained by Northern California employers from the office of the Collector of Internal Revenues in San Francisco or from the offices of Deputy Collectors located at Oakland, Berkeley, Sacramento, Napa, Stockton, Modesto, Fresno, San Jose, Santa Cruz, Santa Rosa and Eureka. The deputy collectors outside San Francisco maintain headquarters in the postoffice buildings of their respective cities.

Farm Advisor Has New Freight Rates

Copies of the new emergency freight rates lately put into effect by the Southern Pacific Company, to assist stockmen in obtaining hay and other feeds, have been received at the office of Farm Advisor Ivan Lilley, and any farmer interested in the matter is welcome to call at the Farm Advisor's office and inspect the schedule.

Legion Takes Second Half In Hoop Race

2 Championship Games To Be Played On March 1st

The stage is all set for a "basketball Carnival" at the high school gymnasium next Monday evening when the Cougars send their C team against the Sonorans and their A team against the local American Legion five, in two championship matches.

The C team game will settle the question of the championship of the Mother Lode CIF league, in which the Cougars lead in the northern division while Sonora leads in the south.

The Cougar-Legion battle will settle the championship of the county basketball league, the high school having won the first half of the schedule and the American Legion five having clinched the second half leadership by virtue of their 20 to 18 win over the 20-30 Club Monday night.

Final games in the regular schedule will be played at the gymnasium Wednesday night, but this will not make any difference in the Legion's position.

In other Monday night games, Snowline took the Native Sons into camp, 23 and 11, and the Cougars swatted the Mosquitos, 37 to 18.

The Legion-20-30 game was a thriller all the way through and within the last 30 seconds of play the score stood at 18-all when Ed Bishop looped one in and the "beep-beep" of the time-keeper's whistle left the Twenty-Thirtians on the short end of the count.

ELECTION FOR P. T. A. DUE AT MAR 3 MEETING

The March meeting of Placerville Parent-Teacher Association will be held at the school building on Wednesday, March 3, at 3 o'clock. Election of officers will be the chief order of business. Entertainment will be by Mrs. Alice Golden's fourth grade class.

The February meeting, held February 17, was observed as Founder's Day. Forty-five were present.

Mrs. Lloyd Austin reviewed the history of the National Congress of Parents and Teachers briefly and mentioned the past presidents of the local group. Mrs. A. Blair and Mrs. John Palmer, presenting a past president's pin to Mrs. Palmer.

Mrs. Blair reported on the state association magazine and Mrs. Horace G. Dunn called attention to the district meeting on Wednesday, February 24, at Lincoln.

In preparation for the coming election, Mrs. W. Combelleck was chosen chairman of the nominating committee, to work with Mrs. F. Kely, Mrs. Burrows, Mrs. John Simpson and Mrs. H. E. Hollenbeck.

Mrs. Palmer, Mrs. Wilna Larsen, Mrs. Austin, Mrs. Dunn and Mrs. Hollenbeck read a playlet, "Forty Years of Service," commemorating Founder's Day and forty questions and answers on the subject, "Do you know your organization?" were read by Mrs. J. C. Peterson and Mrs. Eichner.

Three numbers were given by the harmonica group of Miss Ball's class and Principal Palmer called attention to the free clinic at the school the first Monday of each month, and urged especially the attendance of children of kindergarten age.

The birthday cake was lighted by a mother, Mrs. Henry Lyon, and a teacher, Miss Ruth Henson.

Check Theft Laid To Garden Valley Miner

Mike Gowan, 37, Garden Valley miner, was arrested over the week-end by Deputy Sheriff Clarence Collins of Georgetown, and lodged in the county jail on a charge of petty theft. It is alleged, we understand, that Gowan picked up a check which another man was attempting to cash in a store, and walked out with it, later cashing the check at another place of business.

A Wooden Box Challenge

Here is a Department of Commerce report on U. S. pulp and paper exports and imports for 1936.

Since it is known that much of the pulp from which paper cartons are made, to compete with Western Pine as containers for products to be shipped, we feel that the report needs no further exposition to make it a first-class argument in support of the current "Ship In Wooden Boxes" movement.

The report as it relates to imports, follows:

Imports of paper base stocks, including pulpwood, wood pulp, rags and all other pulp, for the year 1936 were valued at \$98,919,594 as compared with \$82,043,697 for 1935. Of this total amount, \$9,481,914 was pulpwood; \$82,836,228 wood pulp; \$54,772 all other wood pulp; \$4,673,041 rags for paper stock and; \$1,873,639 all other paper stock, during 1936 as against \$7,760,700 pulpwood; \$70,734,847 wood pulp; \$26,074, all other wood pulp; \$2,411,424 rags for paper stock; \$1,110,652 all other paper stock, for the year 1935. Total imports of 1936 paper base stocks represent a gain of 20.6 per cent over 1935. A small gain was noted in the total amount of pulpwood during 1936 compared with 1935, there being 1,209,760 cords and 1,037,332 cords imported respectively. Likewise, wood pulp imports totaling 2,277,500 tons in 1936 gained over the total amount 1,933,249 tons during 1935 by 17.8 per cent. These gains in wood pulp were general, no particular class showing any outstanding increase in comparison with 1935.

Imports of paper and manufactures during 1936 totaled \$110,112,348 as compared with \$93,443,916 for 1935. Of this amount, newsprint represented 87.8 per cent during 1936 and 88.0 per cent for the year 1935. 2,751,580 tons of newsprint were imported during 1936 as compared with 2,383,315 tons in the preceding year, or a gain of 15.4 per cent.

All other paper totaled \$13,392,878 in 1936 and \$11,178,649 in 1935, or a 19.8 per cent gain in 1936 as compared with 1935.

SMITHS FLAT NOTES

Ed. Jones took delivery of a new Plymouth coupe on Saturday.

Smith Flat was well-represented at the Cisco Ski Jumping championships Sunday. Those from here who witnessed the event included Mr. and Mrs. Floyd Hassler, Miss Inez Ferreri, Herbert Jacquier, Nico Wygersma and Elmer Porini.

Nico Wygersma and Joe Madden spent Monday night at Sacramento as spectators at the wrestling matches.

Smith Flat Troop No. 86, Boy Scouts, received their charter Monday night. Frank Dayton presented the troop charter to Charles Jacquier, troop committee chairman. Charles Jacquier, Herbert Jacquier, Mert Baalke, Bert Carpenter, Sr., were presented their certificates as were Scoutmaster Irvin Johnson, assistant Elmer Porini, Frank Dayton and his assistants conducted the tenderfoot investiture ceremony. Scouts who received their tenderfoot pins are Charles Jacquier, Jr.; Jack Carpenter; Bill Cola, Delbert Duncan, Charles Fuller and Tom Mitchell. The mothers of these Scouts were all presented with a miniature tenderfoot pin. E. W. Zueger gave a very good talk on Scouting and what it means to the boys. He also stressed the need for co-operation in Scouting between the parents and the boys. The last event on the program was the showing of three reels of motion pictures with the new projector recently acquired by Smith Flat school.

LEAGUE MOGULS
MEET MARCH 1
FOR POW-WOW

There'll be a big talk-fast of the moguls of the Placer-Nevada baseball league at the Freeman Hotel, Auburn, on the night of March 1, according to League Secretary A. G. Thurman. It will be a dinner meeting.

Several weighty problems will come up for discussion, including such matters as revising the by-laws to balance the strength of clubs in the league; agreeing upon a schedule; adoption of the official league ball; and selecting the "blind men" who will guess at the close plays.

All league officials are urged to attend the meeting.

PARADE OF
SPORTSBy HENRY McLEMORE
(United Press Staff Writer)

DAYTONA BEACH, Fla. (UP)—The New York Boxing Commission, sitting in solemn session under the direction of its brassiere tycoon chairman, General John Phelan, has temporarily at least, exonerated Mushky Jackson of any mischievous connection with the recent Jack Torrance boxing scandal.

His "complete exhilaration by the big shots"—to employ Mushky's own words—came as no surprise to those of us who knew him, for we had doubted from the first he was the type of man who would offer a tanker \$300 to take a dive. Mushky, frugal by nature, simply wouldn't offer that much even to a tanker who could guarantee a difficult triple somersault or a flying Dutchman as he went down for the final count. Two hundred, or perhaps two-fifty, but three hundred—never!

I will never forget my first meeting with Mushky. It was at a rather formal dinner at Promotor Michael Jacobs' apartment in Miami several years ago. Mushky, resplendent in white coat, served the chops at dinner. When he parked the chops in front of the host, and the latter casually remarked to the guests around the table that they did not seem well done, Mushky, hurt, said sadly but loudly:

"Jeez, Mike! Don't nothing suit you?"

We met again in a dressing room on the night of the fight between Max Schmeling and Max Baer. Mushky was handling a heavyweight named Red Barry at the time, and Barry was fighting Tony (Nightstick) Galento in the semi-final. Mushky took me aside in the dressing room and asked me to please pay particular attention to his man Barry.

"He's the greatest puncher since Dempsey," Mushky said. "He'll murder this mugg, Galento, or whatever his name is. Do me a favor and try and give him a good write-up. You won't have to make anything up. Just write what you see, and it'll be terrific. My boy's a murderer—a plain murderer."

My working press seat was near Barry's corner and when Mushky led him in the ring he passed long enough to whisper in my ear:

"Don't forget, now. Watch my boy, Barry. He's a murderer. I tell you. The next champ or I'm a Greek."

Well, I may live to be a hundred but I never expect to see as thorough and devastating knockout as Galento hung on Barry, the murderer's, chin. And he did it in the first minute of the first round. Out walked Barry and out walked Galento. The bell for the first round was still echoing in the park when Tony brought one up from Milwaukee and laid it on Barry's profile. Mushky's man fell face forward, almost in my lap.

I looked at Mushky as he assisted in the sad rite of removing Red's 190-pound chassis from the ring.

Mushky's eyes were those of a whipped Irish Setter.

"Jeez!" he mumbled, and continued the portage down the aisle.

Since then we have met a hundred times, usually at the Scotch and soda "teas" which dot the social calendar of boxing's smart set. Mushky as official host for Twentieth Century, can handle such an afternoon with more grace. The manner in which he hands you a bottle of "tea" and asks:

"You want lemon or bubbling water?" is heart-warming.

I was surprised to find that Mushky had engaged fisticuffs with Jimmy Johnston, matchmaker for Madison Square Garden, for it is well known around New York that Jimmy Johnston, despite his title of grandfather and slight size, is very unhealthy to pick on. Jimmy Johnston's best "punch" involves the use of his own head and the bottom section of his opponent's chin. With the start of activities, Johnston firmly grasps his enemy's coat lapels and, drawing him close, leaps straight up. The result is immediate and violent contact between Johnston's noggin and the enemy's

GRANGE NOTES

The first meeting of El Dorado-Amador Pomona Grange for 1937 will be held at Plymouth on February 27.

The newly-elected officers who were installed at a joint installation at Coloma recently, will take over their duties at this meeting.

Master Carl Vismann will announce the personnel of the various committees to serve during the year and will outline the Grange program for the year.

Come on, patrons, let's get off to a good start at our first meeting.

H. JAMESMAN, Secretary

MARSHALL GRANGE

Marshall Grange convened February 12 and after the usual business the following officers were installed by Mrs. Daisy Rolfe, Past Master and Lecturer: Ira Cushman, master; Guy Davenport, overseer; Nellie Schlein, chaplain; Lea Cornelius, Pomona; Ruth Cushman, Flora; and Bud Davenport, gatekeeper.

Our secretary, Mrs. Maybelle Timm, is quite ill in Oakland and she sure is missed in our meetings. Pomona Grange will meet in Plymouth Feb. 27. Pomona members please attend and any other Grangers who wish to join. The Grange is a great fraternity.

After adjournment we were served cup cakes and coffee by the refreshment committee. Mrs. Fred Veerkamp, chairman. Mrs. Leah Cornelius is acting secretary in the absence of our secretary, Mrs. Timm.

Grangers always welcome.—DAISY ROLFE, Lecturer.

GOLD TRAIL GRANGE

At the meeting of Gold Trail Grange February 10 a Valentine program was presented. Several old songs were sung by the Grange singers. A short play entitled "Parted" was presented by Marian Marchini and Malcolm Veerkamp. Several selections were played on the harmonica by Freeman Liddell. Another playlet, "Prepared for the Storm" was presented by Albert and Laura Herzig. Each officer was then given a Valentine with a humorous verse about his office. A Valentine grab box was passed around and everyone present picked a Valentine. All the Valentines were then read aloud. Most of them being humorous, they brought a good deal of laughter. The evening closed with refreshments served by the supper committee.—LAURA HERZIG, Lecturer.

Ranger Raleigh Bryan has returned from a visit of several days in the bay district.

CANNING PEAR SURPLUS HELD

(Continued from Page 1)

Washington issued this statement: "The unsold stocks of canned pears are the largest in the history of the industry at this inventory period."

"This large surplus presents a district emergency to the growers and will, unless ameliorated, seriously depress prices for the 1937 crop of canning pears, resulting in great financial loss to growers, to dealers and to the communities dependent upon them."

The large growers of pears, taking the lead in the movement, are representing thousand of families who have developed small orchards through great deprivation and are now absolutely dependent upon their crops. The costs of spraying, pruning and cultivation must be met by the sale of pears or they will lose their farms.

ANNUAL MEET OF TAXPAYERS FEBRUARY 26

State, county, city and school affairs will be given attention at the 11th annual meeting of California Taxpayers' Association, which will be held in Los Angeles, Friday, February 26, at the Biltmore Hotel. Taxpayers and interested citizens throughout California have been invited to attend the sessions, which will be open to the public.

State affairs, including the \$504,000,000 state budget, will be discussed by Governor Frank P. Merriam and by Assemblyman Alfred W. Robertson of Santa Barbara, chairman of the Assembly Ways and Means Committee. Governor Merriam will discuss his budget and Assemblyman Robertson will tell the views of a representative of the people.

School affairs will be discussed by Dr. Everett Dean Martin of Cooper Union, New York, and of Claremont Colleges, under the title "Education in a Changing World." City affairs will be presented by Mayor Fred C. Rowland of Santa Ana, who will tell how a California city reduced its tax burden. County problems will be discussed by Mr. E. C. Higgins of Barrow, Wade, Guthrie and Company, Los Angeles, who will tell ways and means of promoting economies in county government. Mr. Higgins was the auditor for the 1936 Los Angeles County grand jury.

John C. Drake, 46, arrested over the week-end on a charge of driving while drunk by City Marshal James P. Morton, was fined \$150 Tuesday morning before Police Judge Eugene Creed.

Gary Cooper says:
"It's plain common sense for me to prefer this light smoke"

"A little over a year ago I changed to Luckies because I enjoy the flavor of their tobacco. Ever since, my throat has been in fine shape. As my voice and throat mean so much to me in my business, it's plain common sense for me to prefer this light smoke. So I'm strong for Luckies!"

Gary Cooper

IN PARAMOUNT'S "THE PLAINSMAN"
DIRECTED BY CECIL B. DE MILLE

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Mr. Cooper verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.

25-30-35¢ MEALS TO CHICAGO!

Meal prices were never so LOW on our trains as they are today. The popular Pacific Limited (San Francisco to Chicago) and the Apache and Californian (Los Angeles to Chicago) all serve delicious meals in the dining car for as little as: breakfast 25¢, lunch 30¢, dinner 35¢.

Lowest winter fares in history are still in effect to the East and to Mexico. Ask about them.

SEE TWICE AS MUCH!

If you are planning to go east this year, please remember that Southern Pacific's famous "go one way, return another" bargain still holds good at very low fares. Go east on one Southern Pacific route, return on an entirely different Southern Pacific route. Double the pleasure of your trip. From most places in the West, it doesn't cost a penny more.

Free pillows are now being furnished passengers on all S.P. transcontinental trains (coach passengers included).

DID YOU KNOW

That you are actually safer on a train than you are in your own home. NEXT TIME, TRY THE TRAIN. Trains speed you over steel rails—the safest, smoothest highway in the world—winter or summer.

RECREATION TO DRAW SUPPORT

(Continued from page one)

urged all members of the chamber to ask the solicitor to produce the committee's endorsement if they are solicited.

Under the head of new business Charles Doe, Jr., mentioned the current "Ship In Wooden Boxes" campaign which is under way in the county and the chamber went on record as endorsing the movement and will sponsor newspaper advertising in behalf of the campaign for the Wooden Box Employees' Association.

A proposal by E. Van Harlingen that the members of the chamber be sent reports of the chamber's activities, resulted in a motion being passed to have a committee wait on the high school principal to see whether the use of the mimeographing machine at the high school can be acquired for such a bulletin.

Winter sports fans reported that about 800 people were in the snow sports area above Placerville on Sunday, whereas there were several thousand in the sports area above Auburn.

L. P. Wilsey, deputy regional fiscal agent for the forest service, was an official business visitor Monday at Eldorado forest headquarters.

Mr. and Mrs. Joseph Blodaux are home from a week spent visiting relatives and friends at Portland and Seattle.

CARD OF THANKS

We wish to take this means and opportunity to express our sincere appreciation to all those who assisted in any way during our recent bereavement.

MRS. MARGARET FERRARI and Family.

This led to a discussion of the possibility of erecting a Class A ski jump in the Camp Sacramento area which members of the Placerville Ski Club stated, could be done, if the highway were cleared of snow to that elevation.

Roy Mikkelsen, Auburn jumper, has volunteered his aid in selecting a suitable hill, it was said.

The chamber passed a motion that Road Chairman Johnson should endeavor this week to arrange an appointment with Division Highway Engineer Whittemore, at which members of the chamber of commerce, resort owners and the ski club would confer with the engineer concerning the question of snow removal.

A motion put by Mr. Doe was that the chamber should support U. S. Route 50 as the Pony Express Route and attempt to have the route so designated by the state and on all maps.

DELLIS CRANE, working on the assembly line, has been on the Buick payroll for 20 years

SPEAKING for myself and 16,000 other Buick workmen—we're mighty glad to be back on the job! It's been tough to stand by, knowing how eager thousands of people were to get one of these great cars. And it's a grand feeling now to see the wheels turning and the line rolling, and to watch those big, handsome babies pouring out reg-

ular as clockwork! There's power in them, and style, and comfort—and when you see them made, like I do, you know they're packed with good, honest workmanship as well as top-notch engineering. We're proud of those Buicks, and the way you've taken to them, and we're going to get yours to you as quick as we can.

"It's Buick again!"
